CLASS MOTTO
"Hold high the lamp of learning"

"CLASS POEM"

Twelve years go mighty fast
Here we are---Seniors at last.
We never thought we'd make the grade
But in the end our work has paid.

We're ready now to go our way,
O'er this 26th day of May.
Long we will hold Townville dear,
And use the knowledge we've gained here.

As we go out into the world
Let success' banner be unfurled.
We'll do our best at all we start
When from this harbor, we depart.

We wish to thank the teachers, too,
For the hard times they've seen us through
And now it's time to say, "Good Day"
As we go on our Merry Way.

SENIOR CLASS HISTORY

One rainy morning in the month of September, in the year 1946, we started our Freshman year at Townville High School.

We needed class officers immediately to lead us in our activities. We chose for President, Bill Pratt; Vice President, George Maynard; Secretary, Jean Wright. Mr. Fairlamb was our class advisor.

In the fall of 1947, we were back to make our Sophomore year a better one than the year before. We chose for President, Hiram Graham; Vice President, Nancy Robbins; and Secretary, Patricia Wood. We selected green and yellow as our class colors.

Our Junior year found us under the care of Mr. Heinbaugh and with the following class officers: President, Mary Ann Robbins; Vice President, June Maynard; Secretary, Jean Wright. The first thing we had to do was to earn money for our Prom. By combining our efforts, we took over the food concessions at the basketball games, sponsored a play, and a paper drive. We managed to scrape up enough money to put on a fine Prom at Cambridge Springs.

Upon entering the final year, we found ourselves in the new building. Our class advisor was Mr. Mason and the class officers were as follows: President, Richard Shade; Vice President, Nancy Robbins; Secretary, Glenna Copeland; Treasurer, Ruth Crawford. As our Senior year progressed, we found ourselves in need of money again, so to solve the problem, we sponsored the Halloween dance, put on a play, and had a chili supper. We wish to thank the faculty, and Principal, who have been patient enough to stick with us during our years at Townville. They have done their best to teach us the necessary subjects which we will use in our future experience.

CLASS PROPHECY

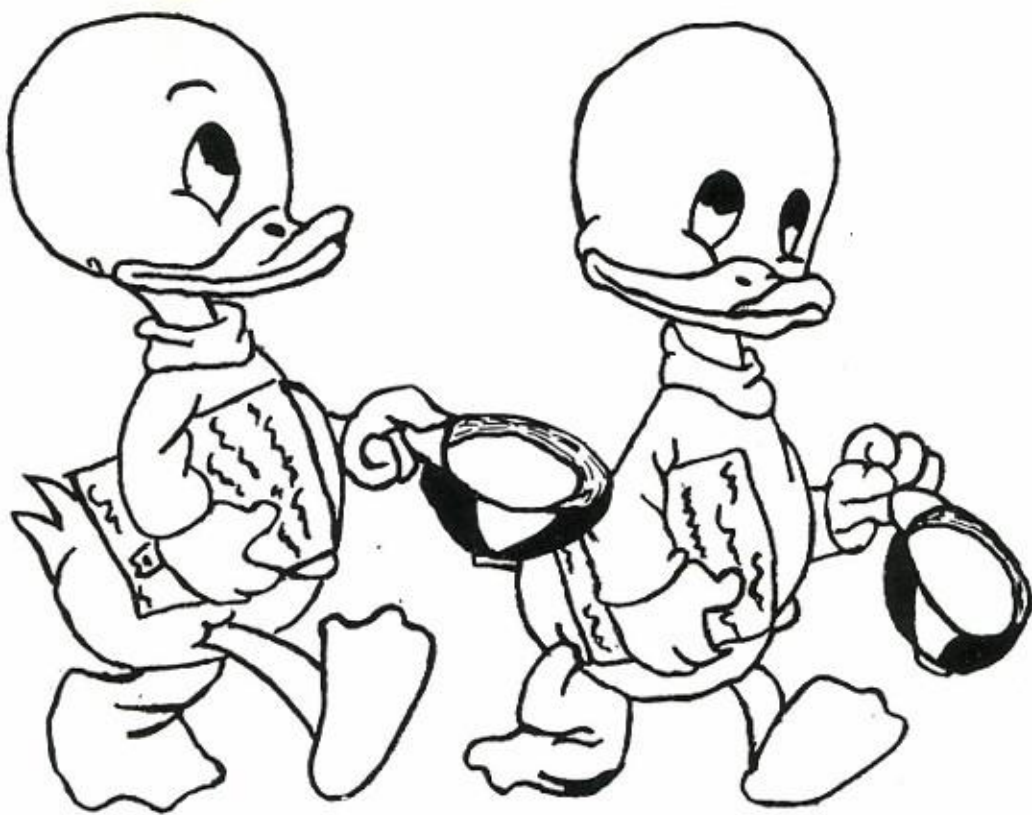

Last Saturday when Howard and I came down town for our usual weekly shopping at the A & P, owned and operated by George Lundberg and his wife JoAnn, and to get the mail, we received a letter from Janet (Ganyard) Humes, telling us about some of our classmates. It should interest you so I'll read it.

New Richmond, Pa.
May 27, 1960

Dear June and Howard,

Just a line to tell you the whereabouts of us and some of our classmates. As you probably have heard, Leslie and I are the proud owners of two theaters here in New Richmond. Have you heard that Dorothy is back on the farm again? After going through nurses training she finally married Bob Jones, who owns a big farm at Troy Center. I guess Merle is still going with Clara Myers, and is now busy trying to convince her that she should marry him. Remember Barbara Schnell and how quiet and shy she was? Well she is now Principal of our old Alma Mater, Townville Consolidated High School. Oh yes, Dick Shade now has his own barber shop, located next to his father-in-laws jewelry store in Cochranston. Well Bill Holland and Betty Ann finally made the alter and now have a couple of cute little red-headed Hollands; who, from what I've heard and seen, have a temper to go with it. For our 8th Anniversary, Leslie and I went to the "Ridin' Hi" operated by none other than Hiram Graham. After the stage show started we met with another surprise. The star vocalist was, you guessed it, Jean Wright. I hear Maxine Flint is now enjoying life as a pianist in an orchestra. You can hear her every night at 9:00 on N. B. C. Mary Armstrong is now running a nice little hat shop in Detroit. She always was quite handy with a needle and thread and I guess women always will buy hats. Ruth's plans for her future as a milk haulers companion seem to be working well. She and George Maynard are now happily married. Almah Reitz seems to have made good use of her secretarial training as she is now working in the office at Struthers-Wells at Titusville. This may not come as a surprise to you but I heard from Glenna and she is now a Powers Model in New York City. Delores' and Duff's latest arrivals were twins. Do you know how many children they have now? I lost count. Had you heard Riede's Hardware has now changed hands? After Toby's graduation from High School, he and Virginia took over. Oh yes, Patty Wood still goes skating a lot but she now has her own rink at Townville. Nancy and Archie got married as everyone said they would and Mary Ann went through nurses training. The twins now have part time jobs posing for Toni ads. We drove down to Propheters Garage the other day. Yes, I mean Howard Prophter, the one Marian Van Cise married, and guess who came up to work on the car? None other than Bill Sutton. He's a mechanic in their garage now. We got to talking about Willis McAlevy and guess what he's doing now? Right! Farming his father-in-laws farm in Titusville. Well guess I'd better close as the kids are into everything they can find, and it's time to get dinner. Will write more later.

The Townville High School baseball team had a successful first half season. By winning four games and losing none, we won the fall half of the league season. By the time this book is printed, we hope they will have won the rest of the games and brought home the trophy for the third consecutive year.
